**Re: Alaskans for Begich 2014
FEC ID No. C00458059**

Dear Ms. Cavano,

This is in response to your letter dated May 28, 2013 concerning the April Quarterly Report (1/1/2013-3/31/2013) of Alaskans for Begich 2014 (the "Committee").

You ask about a joint fundraising representative that is not disclosed on the Committee's Statement of Organization. The Statement of Organization has been amended to reflect the additional joint fundraising representative.

You ask about the Committee's contributions from LLCs. The Committee has amended its report to show the funds were permissible.

You ask about contributions that appear to be from corporations. The Committee has refunded the \$1000.00 contribution from Professional Security Consultants. The refund will appear on the Committee's July Quarterly report. The San Pablo Lytton Casino contribution is from tribal funds and is not incorporated.

You ask about contributions that appear to be excessive. The Committee mistakenly reported the 3/28/13 contribution from Chris Long as entirely designated to the primary and has amended the report to show the correct designation of the contribution. The Committee has refunded \$50.00 in primary funds to Kelly Rucker Bingel and \$100.00 in general funds to Patrick Daniels.

Due to typographical errors, some of the Committee's PAC contributions were reported as designated to the primary election even though the contributions were designated by the PACs specifically for the general election. The following contributions were designated for the general election and the Committee has
